A MESSAGE FROM THE DEAN

For 30 years, the Arts & Sciences Scholarship Program has supported our students in the liberal arts and enabled them to obtain a world-class education. The named scholarships listed in these pages support more than 650 students, many of whom could not attend Washington University without the philanthropy of our donors. Over the years, thousands of our student recipients have become leaders in their professions and communities. Their successes are a lasting legacy to the generosity of our parents, alumni, and friends.

Thank you for your support. Together we have done so much, and I look forward to what the next 30 years will bring.

Barbara Schaal
Dean of the Faculty of Arts & Sciences
Mary-Dell Chilton Distinguished Professor in Biology
